Coaches' Responsibilities

1. Provide working email address or pick-up hard copy of coach packet on the required date at Customer Service Desk.
2. Call team before league start to introduce yourself and inform them when first practice is.
3. Distribute all league information so everyone knows where and when to show up and what is expected of them.
4. Set up a plan for each practice session.
5. Arrive on time and inform parents/guardians of their responsibility for having their players on time.
6. Assign team parent/guardian the responsibility of a "phone tree" in case of changes or emergencies.
7. If you chose to have team trophies, the coach or another team parent/guardian to collect money, order, and retrieve the trophies. SBDCRC does not obligate teams to have trophies. This is a team decision and is the responsibility of the team. Any left over trophies should be returned to Customer Service Desk for parents/guardians to pick up.
8. If you chose to have snacks, the coach or another team parent/guardian will create a rotating schedule so that no one parent/guardian/ or coach will be responsible for snacks for the entire season. Coaches should bring snacks to the first practice.
9. SBDCRC will provide all equipment at the beginning of each season. First team on field will open equipment boxes. Last team on field will lock up equipment boxes. Leaving equipment box unlocked between game dates will leave all equipment vulnerable to theft.
10. Check all equipment, every game. If anything is broken, contact SBDCRC Sports Programmer to replace. This is very important if you would like equipment replaced!
11. Coaches will pick up picture packets (S/L Programmer will inform coaches via email when pictures are available) at Customer Service Desk and distribute to team. Any left-overs should be returned to Customer Service Desk for parents/guardians to pick up.
12. Be positive and have fun!!!!
